Thank you for purchasing the MXL-40EXT Gooseneck Extension microphone. With proper care, this mic will provide many years of satisfaction. For best results, please take a few moments to review this literature.

### Package Contents:

- MXL-40EXT Gooseneck Ext microphone
- 1/8" TRS to 1/8" TRS cable
- Owners Manual

### General Characteristics

This microphone is an optional accessory to the MXL AC-406 USB Conference Microphone. You may add (daisy chain) up to four MXL-40EXT microphones to the AC-406 to extend the range of your conference. The microphone can be muted by pressing the locking mute switch on the base of the MXL-40EXT. The red LED indicates that the MXL-40EXT microphone is muted.

### Connection

The MXL-40EXT includes a 1/8" cable that plugs directly into the 1/8" Ext. input on the back of the AC-406 USB Conference Mic. The cable can then be connected to either jack on the back of the MXL-40EXT. To add more microphones, simply daisy chain the connection as follows:

### Warranty

Marshall microphones are guaranteed against defects in material and workmanship for three years from date of purchase. Should you encounter any problem with this unit, promptly contact the company you purchased it from for assistance. The original dated sales receipt will be necessary for any warranty claim. Do not send any unit directly to Marshall without prior authorization from our service department! Warranty coverage is limited to repair or replacement (at our option) of the microphone, and does not cover incidental damages due to use of this unit, nor damage caused by accidental misuse of this product.
